

Buttons for Books Reading Club

Who: Kids in Grades 1-5

What: Year-long Reading Club

Where: Sign up at desk during the school year

When: September 1—May 31

Why: Earn Buttons and Book Tote for reading

This program is designed for kids to read at their own pace. Each month a different "theme" is chosen where kids read five books of their choice and complete an activity to earn a button. One button a month can be earned, however they don't have to be completed each month. After they earn three buttons they earn a tote bag.
