Kindle books from Overdrive : Simple & Smart

From your computer, tablet or smart phone, visit our Herrick District Library eMedia page to check out a Kindle book from Overdrive. Visit our digital collections page at www.herrickdl.org : **click on Resources—eMedia**, then look for the Overdrive link. *You must be connected to the Internet to browse and check out.*

Search for Kindle books and check out with your Herrick District Library card.

Once you complete the check out process, click on the “get for Kindle” button. This will take you to Amazon.com. Sign in with your Amazon/Kindle username and password.

Next, click on the “get library book” button and choose where to send your ebook (e.g. “Jane’s Kindle”).

Your library ebook is now available to you on your Kindle or Kindle app. If you don’t see your new title, select the “sync & check for new items” command within the app to prompt Kindle to sync your new book to your device.

To manage your Kindle library books, login to your Amazon account and use the “Manage Your Kindle” link.
